

NORTH PEAK ANNOUNCES GRANT OF STOCK OPTIONS

Calgary, Canada

December 17, 2021

North Peak Resources Ltd. (TSX Venture: NPR) (the “**Company**”) announces the grant of incentive stock options to acquire a total of 200,000 common shares of the Company at an exercise price of \$1.90 per share, with such options to vest as to one-half immediately and the remaining one-half on the first-year anniversary of the date of grant. The options expire five years from the date to grant. These options were granted to directors and officers of the Company.

About North Peak

The Company is a Canadian based gold exploration and development company that is listed on the TSX Venture Exchange under the symbol “NPR”. The Company holds an option to acquire the 2,733-acre Black Horse gold and silver property located 50 miles east of Ely within the Black Horse mining district in White Pine County, Nevada. See the Company’s December 6 and 13, 2021 press releases for additional information.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS: *This news release includes certain “forward-looking statements” under applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, statements regarding the plans, intentions, beliefs, and current expectations of the Company with respect to the future business activities and operating performance of the Company that may be described herein. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur.*

By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, accuracy of assay results, geological interpretations from drilling results, timing and amount of capital expenditures; performance of available laboratory and other related services, future operating costs, and the historical basis for current estimates of potential quantities and grades of target zones, as well as those risk factors discussed or referred to in the Company’s Management’s Discussion and Analysis for the year ended December 31, 2020, and the period ended September 30, 2021 available at www.sedar.com, many of which are beyond the control of the Company. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, the Company undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
